B. Approve new conflict of interest code for the In-Home Supportive Services Public Authority as on file with the Clerk of the Board of Supervisors.

**BACKGROUND INFORMATION:** State law requires all public entities to periodically review and update their conflict of interest codes. The revised conflict of interest codes submitted for approval are a result of that process, both within the county, and within numerous other agencies in the county.

The revisions to the county's conflict of interest code updates the list of designated employees to include newly added positions, changes of titles, and changes of duties of positions. The amended list of designated employees is based upon input from all departments.

The conflict of interest code for the In-Home Supportive Services Public Authority is a new conflict of interest code which has been approved by the governing body of the IHSSPA.

The amended conflict of interest codes for the other public agencies are submitted to the Board of Supervisors for approval because the County Board of Supervisors is the code reviewing body for all public agencies which are not city agencies.

**REVIEW BY OTHERS:** This item has been reviewed by the County Administrative Office (Tracy Lindsay, Administrative Analyst) on February 20, 2003.

**FINANCIAL IMPACT:** This action will have no impact on the General Fund.

**SUPERVISORIAL DISTRICT(S):** All.

**PRESENTER:** Alan K. Marks, County Counsel, 387-5459
